Notice shall include: check number, amount, and date; the payor's name; and any additional basic information Carrier is able to provide.</p> <p>The final notice also must inform payor that: (i) Applicable regulations allow Carrier to conditionally retain the payment as revenue in the absence of a timely response by the payor; and (ii) following the 90-day period the regular claims procedure shall be applicable.</p> <p>Upon Carrier's receipt of information from the payor, Carrier shall, within 14 days: (i) make a complete refund of such funds to the payor; or (ii) notify the payor that the information supplied is not sufficient to identify the unapplied payment and request additional information; or (iii) notify the payor of Carrier's determination that such payment was applicable to particular freight charges lawfully due. Where no refund is made by Carrier, Carrier shall advise the payor of its right to file a formal claim for refund in accordance with the regular claims procedures set forth in this tariff.</p> <p>When a Carrier which participates in a transportation movement, but did not collect the transportation charges, finds that an overpayment has been made, that Carrier shall immediately notify the collecting Carrier.
