

Span Alaska offers direct service to and from Kodiak Island

## TWICE WEEKLY SAILINGS

Fast, dependable, seamless transit to and from Kodiak. Services include:

- Direct loading from our Tacoma Terminal and Central Alaska
- Single-carrier service into Kodiak from Central AK and the Lower 48
- Span-owned and -operated terminals
- Company drivers and equipment
- Automated freight status alerts and emails available via email

## *Access to Alaska's Emerald Isle*

Span Alaska Transportation offers northbound service from Port of Tacoma to Kodiak, and southbound shipping to Kodiak, Dutch Harbor and to the Port of Tacoma. For shipments that are destined beyond Tacoma, we also provide truck and rail service to any location in the Lower 48 and Canada. Whichever direction your freight is headed, let Span Alaska get it there for you.
