

kodiak chill & freeze

Span Alaska provides direct service to Kodiak Island

SERVICE FEATURES

- Direct loading from our Auburn Terminal
- Six days to Kodiak
- Leaves Tacoma Wednesday and arrives Monday following week
- Temperature range -10 freeze, +34 chill
- Shipper/consignee requirements
 - Cutoff-time is Tuesday 1:00 pm
 - Must deliver in protected condition
 - Shrink wrapped, labeled for both consignee and temperature
 - 84" tall pallets maximum

Access to Alaska's Emerald Isle

Temperature-controlled items, such as groceries, seafood, and pharmaceuticals, need to reach Kodiak without being damaged, which not only requires specialized attention but also an expert understanding of how to best deliver "chill or frozen" cargo.

Span Alaska will deliver!
